

IQ Air HealthPro Plus

HyperHEPA™ - The Most Powerful Air Filtration Available.

- Most Filters can only trap particles bigger than 0.3 microns, while 90% of all particles are much smaller
- IQAir's patented HyperHEPA™ filtration can trap particles 0.003 microns in size
- Guaranteed minimum efficiency of 99%
- This means that HyperHEPA™ can remove up to 100 times more allergens than conventional air cleaners.

Rated #1 by Top Reviewers

More #1 product reviews than any other air purifier on the market

Chosen by the American Lung Association

Exclusive partner for indoor air quality.

Trusted by Hospitals Worldwide
